Arbeitszeit: Vollzeit

Ort: W

DAILY BUSINESS - Boring Tasks? - No!

- Conduct IT and OT audits on-site and remote
- Evaluate security measures for effectiveness and standards compliance (e.g. ISO 27001, IEC 62443)
- Support GRC process development in Group Security, including risk and compliance assessments
- Collaborate with IT and OT teams to implement and improve security standards
- Advise & train staff on information security and compliance
- Present audit findings to stakeholders, including senior management

HARD FACT - Best Profile? - yes!

- At least 3 years of professional experience in the field of information security
- Strong knowledge of IT/OT security standards and hands-on audit experience
- Security certifications such as ISO 27001
- GRC (Governance, Risk and Compliance) experience in information security is a plus
- Willingness to travel nationally and internationally
- Fluent in English, German is a big advantage

BENEFITS & GOODIES - Safe Future? Yes!

- Structured onboarding and a buddy are already waiting for you to make your start as smooth as possible
- You will have a multicultural environment with inspiring colleagues from all over the world
- Through a high level of personal responsibility and a large degree of creative freedom, you will continuously develop and break new ground every day
- Working with the latest technologies and opportunities for further development will keep you up-to-date
- Your working hours can be arranged flexibly; home office is possible, and you can enjoy good public transport to the workplace, along with a job ticket for your commute
- Various employee benefits, including access to the in-house kitchen serving delicious food, will keep you motivated

For this position you can expect a gross annual salary from EUR 75,000 with the willingness to overpay qualifications and experience. Let's talk about it! **CHALLENGE ACCEPTED?**
