

Senior Software Test Engineer (f/m/d)

 Deutsch

RefNr. 2025-00665/IV | 01.04.2025

Are you eager to be part of an experienced, international team and drive innovation to the next level? Join our team in **Vienna**, where you will work on developing intelligent workload automation solutions. Collaborate with developers to design and execute manual and automated test cases, ensuring the stability and scalability of our software!

Arbeitszeit: Vollzeit**Ort: W**

Daily Business

- Work on **test architecture** and **framework development**, focusing on scalable and maintainable test frameworks for API, system, and integration testing
- Implement **automated testing** using tools like Selenium, Robot, and custom **backend testing frameworks**
- Integrate automated tests into **CI/CD pipelines** (e.g., Jenkins, GitHub) to ensure rapid software delivery
- Conduct **performance testing** to measure system scalability and throughput
- Collaborate with developers to **debug test failures** and improve software quality

Your Profile

- **Bachelor's degree** or technical upper-secondary school diploma (**HTL**) with several years of professional **experience**
- Expertise in **Unix** systems, API testing (REST, SOAP), and **coding** (C/C++ / Java / Python / Bash) & using tools like Postman / RestAssured / SoapUI
- Knowledge of **databases** (MSSQL / Oracle / PostgreSQL / DB2), version control (Git), and **Agile methodologies**
- Experience with test **automation tools** (Selenium, JUnit), CI/CD tools (Jenkins), and cloud platforms (AWS, Azure) a plus
- Very good command of **English**, German is a plus

Benefits & Goodies

- Competitive compensation including annual **bonus**, **equity awards** & meal vouchers
- Further **training & development** opportunities
- **Modern workplace**, a dedicated **team** & **flexible working hours**

In addition to benefits and goodies, you can expect a salary **starting at EUR 75,000.- gross per year** and related **bonuses** as well as **equities**! An overpayment is possible in case of special qualifications and experience.
